

Theta Healing Workshop

Healing from the highest source to the deepest level

If you only do one workshop this year
this should be it!

Theta healing is a phenomenal technique ever to be revealed or rediscovered.
As taught by the founder Vianna Stibal.

An empowering modality for any one. This goes beyond effective counseling to healing the root causes of;

- DNA Sickness, Diseases and Cancer
- Relationship patterns
- Enhance your intuition and open your psychic centers
- Experience and learn unconditional love
- Clear entities and psychic hooks in the auric field
- Release of emotional baggage
- Clear sabotage and retrieve scattered soul fragments due to trauma

- Clear environmental toxins
- Brain chemical regulation
- Soul-mate connection
- Learn group healings
- Kahuna magic manifesting technique
- Learn the 7 planes of existence
- Guarding angel and high self communication and alignment
- DNA and Youth and Vitality chromosome activation and more

Tanya provides private therapy sessions also both in Balingup and Bunbury
